Queensland has a distinctive spirit, thanks to a lush coastline bursting with flora and fauna, delicious produce, relaxed locals and adventures aplenty. At Queensland Rail Travel, we believe there's no better way to explore this and more, than via the magic of a rail getaway. Skip the hassles of traffic or craning for a glimpse through the clouds and instead, view this beautiful part of the world from just outside the window of your long-distance train. Operating between Brisbane and Cairns five days a week, the Spirit of Queensland is your answer to taking a quick and relaxing trip away.

The relaxation starts the moment you step aboard – enjoy modern and spacious seating, a variety of entertainment options on individual touch screens and delicious meals, prepared by a chef, using Queensland-sourced produce. Enjoy the nostalgia of rail travel as you put your feet up and unwind in your leather Economy seat, or indulge in the ample space of your innovative RailBed – a conveniently spacious seat by day, lie-flat bed by night. Make friends with fellow passengers from the comfort of your seat, or head to the 24-hour licensed Spirit of Queensland Café for fresh faces and a change of scene. Throughout your journey, our friendly staff are taking care of the 'little things' so you don't have to and our driver is safely navigating the tracks, to ensure you arrive at your destination, comfortably and happily. Wherever you're headed, a journey aboard the Spirit of Queensland will get your trip on the right track.

Queensland's distinctive spirit is unable to be replicated, thanks to a lush coastline overflowing with flora and fauna, bountiful produce, friendly locals, changing landscapes and adventures aplenty. And at Queensland Rail Travel, we believe there's no better way to discover it, than via the magic of a rail getaway. Skip the hassle of navigating highway traffic or trying to steal glimpses through the clouds and instead, view its beauty from just outside the window of your long-distance train. As Queensland Rail Travel's most modern train, operating between Brisbane and Cairns five days a week, the Spirit of Queensland is your answer to a quick and comfortable holiday.

Whether heading up the coast for the natural wonders of the north, or down, to get caught up in the twinkling city lights of Brisbane, whether travelling for business, a mini-break, or wanting to stop off and see friends and family along the way, the Spirit of Queensland has your travel needs covered.

Better yet, the holiday starts the moment you step aboard – enjoy modern and spacious seating, a variety of entertainment options and delicious meals, prepared by a chef using Queensland-sourced produce. Enjoy the nostalgia of long-distance rail travel as you put your feet up and unwind in your leather Economy seat, or indulge in the ample space of your innovative RailBed – a conveniently spacious seat by day, lie-flat bed by night.

Travelling at up to 160km per hour, your journey will zip by but to help pass the time, you can dive into the pages of your complimentary onboard magazine, plug into the latest in-seat entertainment on individual touch screens or, simply watch the world outside your window change. If you're feeling social, enjoy a friendly chat with fellow passengers from the comfort of your seat or, head to the 24-hour licensed Spirit of Queensland Café for fresh faces and a change of scene.

Throughout your journey, our friendly staff are taking care of the 'little things' so you don't have to and, if you're travelling in a RailBed, they'll make it up for you with fresh linen (and a smile) and deliver your all-inclusive meals, right to your seat. All the while, our driver is navigating the tracks, to ensure you arrive at your destination comfortably and safely.

So, wherever you're going and for whatever reason, a journey aboard the Spirit of Queensland will get your trip on the right track.
